

Indoor measures to give control/confidence/respect.

1. If you feel unwell do not come.
2. No cash for shooting fees – we use a sum-up card machine for payment. There is a 10p transaction fee. If archers wish to 'buddy up' and make one payment that's ok.
3. No club mugs or plastic cups available for tea/coffee – bring your own cup/mug.
4. Bring gloves to handle club kit setting up and putting away. Gardening gloves are perfect.
5. Left hand archers to shoot on the LH targets, on the first (or same) detail (ie a & c). This means that no-one will be facing another archer on the shooting line.
6. Face masks are optional when not shooting. Please be aware of archer's equipment when moving around as your vision may be restricted and/or your glasses may steam up if wearing a face mask.
7. Hand sanitiser will be available for you to use.
8. Archers should be there before start time to help set up, also to eliminate start time delays and streamline target allocation. Remain to help put away at the end of shooting.
